

BERROW PRIMARY Church Academy

24/10/2025

It only feels like yesterday we were welcoming our children back to school for the new academic year. Now, as the seasons change, we can look back on a term packed with learning, creativity, and curiosity. From our youngest children settling into school life to our oldest children taking on new challenges, every child has played a vital role in making this term a memorable one. I want to extend a huge thank you to everyone in our school community for continuing to support our school. It has been a joyful and busy term, and it is with immense pride that I reflect on our wonderful achievements. We hope everyone enjoys a well deserved half term break

Learning Review Meetings

Thank you to all our families who attended a Learning Review meeting with your child's class teacher this week. These meetings allows school and home to work together to help achieve to do their best. If you haven't yet spoken with your child's class teacher, please catch them and see when they are available to discuss your child's progress so far this year.

Year 5 Family Worship

What a wonderful performance our Year 5 crew gave on Monday as they led and presented our first family worship of the school year. All the children performed with confidence and clarity. It was great to see more children stepping out of their comfort zones to perform to their friend's, families and peers. Well done year 5 – what an excellent start to our Family Worships. Thank you to our families and friends who were able to join us and to Miss Elliott for organising.

Harvest Collection & Service.

Wow, what an amazing Harvest collection we gathered this year. All your generous donations have been collected by the Burnham and Highbridge Foodbank and weighed in at 142.3kg. Thank you to all our families and friends who donated to this worthy cause.

The Harvest Service at St Mary's was a huge success. The children all performed brilliantly with such confidence and enjoyment. Thank you to everyone who helped make it happen. These events hugely support our wider community.

Flu Vaccines
