## Welcome back

I really do hope you all had a wonderful Easter break. It has been lovely to see everyone back in school. The atmosphere in school has lovely as children have kicked started the Summer term with great enthusiasm and positivity, the learning continues with gusto! Our Year 6 crew are extremely motivated ahead of their forthcoming assessments and their hard work and commitment to revision and making progress is remarkable.

## Reports

We were happy to have shared your child's school reports with you last week. These would have come to your email address the school has registered for you. Please check your spam and junk boxes and if you still have not received, please contact the office.

## Buildings work

I am pleased to say Phase 1 is going well. We started the project on 2 April and the work during the holidays focused on the preparation of areas where contractors would not have access to when the children returned. The compound was set up and contractor gates were put into our fences to allow them safe access to their work area. We are approaching the end of phase 1 soon and will update families on the plans for phase 2.

## Our new reception starters for September

Miss Bradley and Mrs Cashman have been out delivering book bags and books to our new reception children. We are really looking forward to meeting all of our new starters. Please continue to share your pictures with us, we love to see them.

The children are very excited to be starting their school journey.

## St Georges Day

Our children who are part of Squirrels, Beavers, Cubs, Rainbows and Brownies were invited to wear their uniforms with pride on Tuesday 23<sup>rd</sup> April to celebrate St George's Day. Thank you for taking part.

## Fun Club @ St Mary's Church

Good News Fun Club will be back in September for children yr4-6. Please keep your eye out for more information soon.

## Little Learners

For our Learning enquiry question this term we have been discussing me and my family. Thank you to those of you that have sent in your family trees, it has been interesting looking at the different family dynamics and the children have enjoyed talking about who is in their family.

We have limited funded spaces available until August now as we have lots of new families joining us. Spaces are available for September 2024. Please book on for our open day 29<sup>th</sup> April 2024 for a tour.

## Food Safety

### Burnham pool

We are seeing an increasing number of children come to school lessons that have never been swimming before.

We believe it's extremely important that every child is given the opportunity to learn to swim as well as learning how to be safe around water, more so with us living on the coast of England.

We can offer parents 15% off their first month of swimming lessons.

This offer is available until Sunday 19th May.

Parents can either sign up online or come in and sign up with our reception team.
